Welcome to Bali – voted number one holiday destination by Tripadvisor readers in 2017..

This book, the first in a series of e-books, helps you answer the question “Should I go there?”. To do this, I start with a basic overview of the island and then go on to consider the main reasons for visiting Bali. To help you narrow down what there is to see on Bali, separate chapters have been devoted to 3 key regions:

Ubud (and the surrounding area) for culture, local colour and the essence of Bali;

The South for beaches, shopping, partying and fun; and

Hidden Bali for those wanting to escape the tourist throngs and enjoy the island off the beaten track.

This is not a guidebook; there are plenty of those out there and in the appendix I point you to the best of them. Rather, this is a “pre- guide”, an e-book that addresses just one simple question “Should I go there?”.

So if you want to know more about this magical island and why you should visit it, read on ...
