## Free Log Cabin Quilt Patterns Using Jelly Rolls

### 1. The Classic Log Cabin

This pattern is perfect for beginners looking to dip their toes into log cabin quilting. Start by sewing a light-colored jelly roll strip onto a dark-colored strip, then continue alternating the colors until you achieve the desired size. The result is a timeless log cabin pattern that exudes simplicity and elegance.

## 2. Courthouse Steps

If you're looking for a log cabin pattern with a twist, try the courthouse steps design. This pattern adds an extra layer of visual interest by creating a gradient effect from the center outward. Begin with a contrasting center square and work your way out, adding jelly roll strips in varying shades. The finished quilt will have a stunning, mesmerizing effect.

### **3. Barn Raising**

The barn raising log cabin pattern is perfect for those who want to experiment with color and create a dynamic, eye-catching quilt. With this pattern, you start by sewing a light-colored jelly roll strip onto a dark-colored strip, just like the classic log cabin pattern. However, instead of continuing with alternating colors, you

gradually shift into another color scheme, creating a unique stripe effect that resembles a barn raisin.

#### **4. Pineapple Variation**

If you're feeling adventurous and want to take your log cabin quilting to the next level, try the pineapple variation. This pattern adds triangular extensions to each

log cabin block, resembling the spiky skin of a pineapple. The result is a fun and vibrant quilt that is sure to impress everyone who lays eyes on it.

With the help of jelly rolls, creating stunning log cabin quilt patterns has never been easier. Whether you're a beginner or an experienced quilter, these free patterns provide endless opportunities for creativity. Give them a try and see for yourself how the warmth and coziness of a log cabin can be beautifully captured in a quilt.
