Unveiling the Collection

Step into The Thomas Fleming Library, and you will be transported back in time to the days of 1776. The collection includes original manuscripts, letters, diaries, pamphlets, maps, and artwork, all painstakingly acquired and preserved over the years. Each item tells a story, painting a vivid picture of the challenges faced by our founding fathers and their relentless pursuit of liberty.

Personal letters and diaries provide a glimpse into the hearts and minds of those who lived during the Revolutionary era. The Thomas Fleming Library houses a rich collection of such correspondence, allowing visitors to immerse themselves in the thoughts, emotions, and struggles of our founding fathers, their families, and ordinary citizens who contributed to the birth of a new nation.

Maps and Artifacts that Bring History to Life

The collection at The Thomas Fleming Library is not limited to documents alone. Historical maps detailing the battles, campaigns, and movements of troops during the Revolutionary War are on display, shedding light on the strategic decisions that ultimately led to victory. Additionally, visitors can marvel at artifacts such as weaponry, clothing, and household items, providing a tangible connection to the daily lives of those who lived through the war-torn era.

A Glimpse into Thomas Fleming's Expertise

Thomas Fleming, the mastermind behind this remarkable collection, is a renowned historian, author, and Smithsonian scholar. His passion for American history and his extensive research have led him to gather an unparalleled collection of artifacts and documents from the Revolutionary era.

Visiting The Thomas Fleming Library

The Thomas Fleming Library is not just a repository of history but an immersive experience that transports visitors to the heart of 1776. Located within the historic city of Philadelphia, Pennsylvania, this library welcomes all who seek to deepen their understanding of our nation's founding.

The Thomas Fleming Library stands as a testament to the indomitable spirit of the American Revolution. Through its vast collection of historical gems, it allows us to unearth hidden stories, gain profound insights, and appreciate the sacrifices

made for the cause of freedom. Whether you're a history buff, a student, or simply curious to witness history up close, a visit to The Thomas Fleming Library is an enriching experience that will leave you in awe of the extraordinary events that unfolded in 1776 and forever shaped the course of human history.

In this New York Times bestseller, historian Thomas Fleming examines all the dimensions of the memorable year of 1776 - particularly the common, fallible humanity of the men and women of the American Revolution.

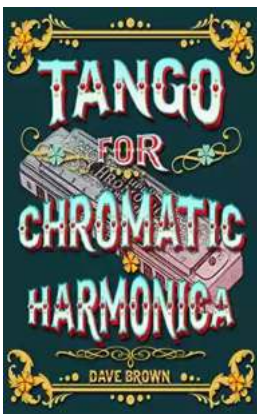

The year 1776 ended with both the Americans and the British stripped of their illusions. Each side had been forced to abandon the myth of invincibility and confront the realities of human nature on and off the battlefield.

For the Americans, it had been a shock to discover that it was easy to persuade people to cheer for life, liberty, and the pursuit of happiness, but it was another matter to convince them to make real sacrifices for these ideals. For the British,

their goal of achieving proper subordination of America to England was frustrated forever.

Seventeen seventy-six was a tragic year: Americans fighting in the name of liberty persecuted and sometimes killed fellow Americans who chose to remain loyal to the old order. Seventeen seventy-six was a year of heroes: It brought forth the leaders who had the courage to fight for freedom. Seventeen seventy-six was a disgraceful year: Americans revealed a capacity for cowardice, disorganization, and incompetence.

Here, in this masterful book, is the true story of 1776.
