Swapping the London suburbs for a slice of country life...

Having grown up in rural Norfolk, author Victoria Connelly never thought she'd ever live in London but, after surviving eleven years in the noisy suburbs, she finally persuades her husband to move to Suffolk – to a county with no motorways, a village with no shops and a cottage with no mains drainage.

Escape to Mulberry Cottage follows Victoria and her artist husband, Roy, as they embrace country life with their ever-expanding family of animals. Illustrated with twenty stunning photographs, it's the perfect read for anyone who has ever dreamed of getting away from it all.
