**IT'S THE GR-R-REAT PUMPKIN TIME AT BIG CAT RESCUE**

Big cats love pumpkins! They bat them around, shred them with their claws, bite out chunks with their razor sharp teeth and smash them into bits. No matter how they choose to destroy them, pumpkins provide a great deal of enjoyment to the cats. The day after Halloween pumpkin patches look for ways to get rid of any excess pumpkins that did not sell. What better way to get rid of excess pumpkins than to donate them to some well deserving big cats? Usually nearby churches donate their left over pumpkins to the big cats each year and the cats go wild for them! This year's pumpkins were donated by East Lake United Methodist Church in Palm Harbor, FL. Thank you so much for giving the big cats Gr-r-reat Pumpkins!
