

# Georgia Total Eclipse Guide: Your Ultimate Official Keepsake Guidebook!

The celestial event of a lifetime is about to grace the skies of Georgia - the Total Solar Eclipse! This mesmerizing phenomenon offers a rare opportunity to witness the moon completely blocking the sun, creating a beautiful display of cosmic alignment. To mark this historic occasion, we present to you the Georgia Total Eclipse Guide Commemorative Official Keepsake Guidebook - the ultimate resource to make the most out of this extraordinary event!

## The Cosmic Spectacle

On August 21st, 2017, Georgia will be plunged into darkness as the moon moves between the Earth and the Sun. This natural occurrence, known as a total solar eclipse, not only captivates astronomers and space enthusiasts, but also provides a unique chance for everyone to witness the sheer grandeur of our universe.

The path of totality, where the moon will completely obscure the sun, stretches across 14 states, including a significant portion of Georgia. It is estimated that millions of people will flock to Georgia to experience this awe-inspiring event. To ensure you are fully prepared and equipped, our Georgia Total Eclipse Guide is packed with everything you need to know!

Note: If it's too late for you to order a printed copy of the book, purchase an eBook edition. It has all of the same information as the printed edition. The eBook will help you understand the eclipse, give you specifics on how to photograph it, what the times are for different locations, and how to protect your eyes from permanent injury. Try your local bookstore, as they may still have stock.

On August 21, a remarkable event will occur over Georgia. A rare total eclipse will pass directly over the Peach State. If you are planning to view the total eclipse in Georgia, you need the Georgia Total Eclipse Guide.

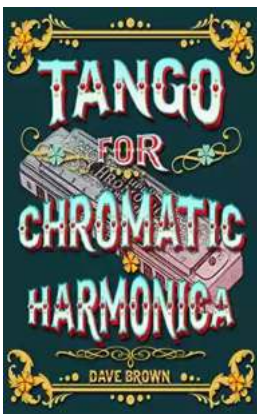

This book has everything you need to know about viewing and photographing the eclipse across the state. In it, you will find some of the secret locations locals know.

Why Buy the Georgia Total Eclipse Guide?

Where should you watch the eclipse from? How will you find these locations? If you have never been to Georgia before, you might get lost. You don't want to be lost on the big day of the eclipse! The book even will tell you exactly where to stand if you want to see the eclipse directly over the Georgia.

This commemorative official guide has information on lodging, travel and local secrets. You will find a wealth of information about how to safely and successfully photograph this rare total eclipse that will traverse the United States.
