

Inside Stories From The Underbelly Of The Criminal Justice System

Have you ever wondered what really goes on inside the criminal justice system? Behind closed doors and barred prison cells, countless untold stories unravel. These stories, often overshadowed by sensational headlines and courtroom dramas, provide a chilling and eye-opening glimpse into the underbelly of our society. Here, we uncover some of the most intriguing inside stories from the criminal justice system that will leave you astounded.

The Innocent Behind Bars

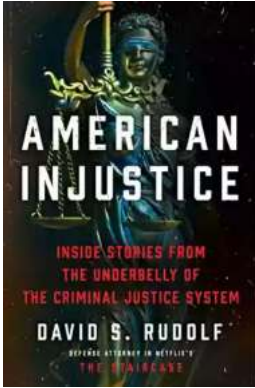

In a system built on the notion of justice, it's disheartening to learn that innocent individuals could be trapped behind bars. Yet, this phenomenon is more common than we might realize. Through wrongful convictions, misguided investigations, and faulty evidence, countless lives have been irreversibly altered. Meet the innocent victims who have spent decades fighting to prove their innocence, as they share their harrowing tales of wrongful imprisonment.

Tales from Behind Bars

Prisons are dark and oppressive places, hidden from the rest of society. But what really happens inside these daunting walls? We delve into the experiences of former inmates who have served years behind bars. From brutal encounters with other prisoners to the daily struggle for survival, their stories will shed light on the grim reality of living in a world where freedom is stripped away.

From the fearless defense attorney and civil rights lawyer who rose to fame with Netflix's *The Staircase* comes a "bracing account of abuses of power and corruption in the criminal justice system." (The Guardian)

"A fine companion to Bryan Stevenson's *Just Mercy* and Emily Bazelon's *Charged*. A stellar—and often shocking—report on a broken criminal justice system." —Kirkus, Starred Review

In the past thirty years alone, more than 2,800 innocent American prisoners – their combined sentences surpassing 25,000 years – have been exonerated and freed after being condemned for crimes they did not commit. Terrifyingly, this number represents only a fraction of the actual number of persons wrongfully accused and convicted over the same period.

Renowned criminal defense and civil rights attorney David Rudolf has spent decades defending the wrongfully accused. In *American Injustice*, he draws from his years of experience in the American criminal legal system to shed light on the misconduct that exists at all levels of law enforcement and the tragic consequences that follow in its wake. Tracing these themes through the lens of some of his most important cases – including new details from the Michael Peterson trial made famous in *The Staircase* – Rudolf takes the reader inside crime scenes to examine forensic evidence left by perpetrators; revisits unsolved murders to detail how and why the true culprits were never prosecuted; reveals how confirmation bias leads police and prosecutors to employ tactics that make wrongful arrests and prosecutions more likely; and exposes how poverty and racism fundamentally distort the system.

In *American Injustice*, Rudolf gives a voice to those who have been the victim of wrongful accusations and shows in the starkest terms the human impact of legal wrongdoing. Effortlessly blending gripping true crime reporting and searing observations on civil rights in America, *American Injustice* takes readers behind the scenes of a justice system in desperate need of reform.
