Preparing to travel has never been easy!

I know how frustrating it is to pack up and make a plan for your trip to Seoul. I also understand how meaningful a trip can be when you try experiences only locals know in their city.

The inspiration behind this book.

As a resident in Seoul, I want to help you out with your trip by sharing my favorite Seoul's unique attractions, festivals, and restaurants that I visited before. He helped me to immerse myself in a different culture rather than visit places for tourists. By helping others with their travels in Seoul, I hope to inspire others to share their own cultures and help me find more unique experiences around the world. I hope you enjoy traveling to Seoul much more after reading this book!
