Quick! There's a horde of brain-eating zombies headed your way: you only have an acrylic ruler, some safety pins, and a bias tape machine. What do you do?

And, hey, zombies aren't the only scary things quilters have to deal with. What happens when your teenager discovers your stash? What are your rights when you get arrested by the Quilt Police? Do you know how to tell which urban legends of quilting are based in fact? What should a quilter's insurance policy actually cover? And what did the Buddha have to say about all this?

Quilting Isn't Funny is a collection of hysterical essays by the inimitable creator of the Bitchy Stitcher blog, Megan Dougherty. This is quilting humor with a sharp

edge, pieced together from wit, snark, and a little bit of satire. Turns out, quilting is funny. No, make that freakin' hilarious.
