From two-time National Book Award finalist Eliot Schrefer comes an unbelievable story of survival.

Raja has been raised in captivity. Not behind the bars of a zoo, but within the confines of an American home. He was stolen when he was young to be someone's pet. Now he's grown up . . . and is about to be sent away again, to a place from which there will be no return.

John grew up with Raja. The orangutan was his friend, his brother -- never his pet. But when John's parents split up and he moved across the country, he left Raja behind. Now Raja is suffering.

There's one last chance to save Raja -- a chance that will force John to confront his fractured family and the captivity he's imposed on himself all of these years.

Eliot Schrefer's last two novels, *Endangered* and *Threatened*, were both finalists for the National Book Award. With *Rescued*, he brings his remarkable storytelling to the American landscape, giving us a boy who must redefine his own humanity and an orangutan who will need his help in order to return home.
