A teen girl gets the perfect second try at a first kiss in this hilarious, romp-filled young adult romantic comedy perfect for fans of Jenna Evans Welch and Hallmark Christmas movies.

Francie was born in a stable. Really. Granted, it was the deluxe model with the light-up star on the roof, one of the many Christmas items for sale at her family's Hollydale Holiday Shop. Their holiday gift empire also includes the Santa School, which was founded by Francie's beloved grandpa, who recently passed away.

Francie's always loved working in the shop, but lately Aunt Carole has been changing everything with her ideas for too-slick, Hollywood-inspired Santas and

horrible holiday-themed employee uniforms. Aunt Carole’s vision will ruin all the charm and nostalgia Francie loves about her family’s business...unless she does something about it.

But this winter is about more than preserving the magic of Christmas. Francie is saving up for a car and angling to kiss the cute boy who works at the tree lot next door—hopefully it will be good enough to wipe her fiasco of a first kiss from her memory.

As the weather outside gets more and more frightful, can Francie pull off the holiday of her dreams?
