

The Canal Guide: Discovering Britain's 55 Best Canals

Are you searching for a unique way to explore the stunning beauty of Britain? Look no further! The Canal Guide is your ultimate companion to unlocking the wonders of the 55 best canals across the country. Whether you are an avid boater, a nature enthusiast, or simply seeking tranquility, these remarkable waterways offer unforgettable experiences that will leave you mesmerized.

The Charm of British Canals

Canals have been an integral part of Britain's rich history since the Industrial Revolution. These man-made waterways were constructed to transport goods, connecting towns and cities across the nation. Today, these canals have evolved into cherished escapes, offering a glimpse into the past while showcasing the natural beauty of their surroundings.

This attractive guidebook shows off just how rich our waterways heritage is. This fully updated new edition highlights 55 of Britain's most beautiful and interesting canals, with new photography, updated text throughout and a new 'places to visit' feature for each canal (picking out 3 places within walking distance, and another 3 slightly further away). In each of the 55 chapters, Stuart Fisher gives a lively background to the history, wildlife and pubs alongside each waterway, as well as a handy map and useful information for visitors.

Through the beautiful cities of London, Bath and Oxford, traversing stunning countryside and national parks, and exploring some of the best Victorian engineering and industry, this book is an inspiring and thoroughly enjoyable read, as well as a perfect resource for anyone thinking about a day out or holiday along Britain's wonderful canals.
