As a 3rd-generation sailor's wife, my goal is for these volumes to share intimate moments that women experience. I am not relating these stories to be liked or to generalize women, but to empower us to be greater. In these moments of #metoo and equality of rights, pay, and love for women, we can learn so much by sharing real life experiences and fantasies to be stronger, with the highest discretion and respect for women, knowing that love is love no matter whom we choose to love.
