2123 was not my best year... Let me state for the record... Dying is not fun and is definitely overrated. This was the year the newly formed Galactic Coalition of Planets faced its greatest threat since the D'Iralu invasion. The almost omnipotent Heshe sought to redeem themselves for past sins. The problem with this type of redemption was the price others sometimes pay for your salvation...

CKC is a pure Science Fiction series following the adventures of a future "Horatio Hornblower" style character called "Admiral 'Cat' Catherine Kimbridge" ...It's a sci-fi adventure series that is chock-full of real-world cutting edge science ranging from VASMR drives powered by liquid fluorine thorium reactors to entangled quantum communications. Add in a six-legged cybernetic dog with a passion for chocolate and anything can happen.

Uncounted millennia ago the uncreated Creator reached forth a hand and touched a series of disparate universes. The touch set in motion ripples that created life in the Creator's image... a life that was self-aware... a life that aspired to be more than it was... a life that sought to create in its own right. Love and fear walked hand in hand. Thus the stage was set for an epic conflict that would span

the universes. These are the adventures of one brave soul and her quest to protect all life. These are the Catherine Kimbridge Chronicles.
