The year 1945 marked the long-awaited end of World War II. After years of conflict, the world celebrated as nations began rebuilding and healing the wounds caused by the devastating war.

## **2. The Cold War and Space Race**

The Cold War between the United States and the Soviet Union dominated the global stage for several decades. The competition extended beyond political ideologies, with the famous Space Race capturing the world's attention. Witnessing the first humans landing on the moon in 1969 was a moment that forever changed our understanding of what is possible.

## **3. The Fall of the Berlin Wall**

In 1989, the Berlin Wall, a symbol of separation and division, was torn down. Millions of people rejoiced as East and West Germany reunited, marking the end of the Cold War and illustrating the power of unity and determination.

#### **4. Technological Revolution**

The late 20th century witnessed a technological revolution that transformed the way we live, work, and communicate. From the invention of the personal computer to the rise of the internet and smartphones, these advancements have connected people across the globe like never before.

## **5. September 11 Attacks**

The terrorist attacks on September 11, 2001, shook the world to its core. The events that unfolded that day had profound global consequences, forever altering the geopolitical landscape and leading to an increased focus on international security.

## **6. Global Financial Crisis**

In 2008, the global financial crisis sent shockwaves through the world economy. The collapse of major financial institutions and the subsequent recession had far-reaching effects on individuals, businesses, and governments worldwide.

## 7. COVID-19 Pandemic

The most recent and ongoing event that has impacted the world is the COVID-19 pandemic. With its rapid spread and devastating consequences, this global health crisis has reshaped our daily lives and highlighted the importance of health infrastructure and international cooperation.

As we reflect on the major events from 1945 to 2020, it becomes evident that our history is filled with both triumphs and challenges. From wars and political shifts to technological advancements and global crises, each era has left a lasting impact on our present and future.

By acknowledging our past, we can better understand the world we live in today and strive to build a brighter tomorrow. So, let's take a moment to appreciate the remarkable journey of humanity and embrace the lessons learned along the way.

Through collages and short texts, A Quick Look Back takes you to some of the most significant happenings during the last 75 years. This unusual book brings back memories, provides facts and gives a new unique perspective on time passed. And it comes with a BONUS:A Quick History of the Collage.The book

"may become your special notebook where you jot down special memories from a particular year!" writes the author. It is also a perfect gift that can be personalized by marking years that are special for the recipient. It is hard to categorize A Quick Look Back because there is nothing really like it out there. Here you have modern history, politics, culture, trends, design and an artistic interpretation of the years 1945-2020. You could even read A Quick Look Back as an illustrated poem and see your life flash by before your eyes. As a bonus you get a short lesson on the history of the collage. Most artists have worked with collage in one form or another, but this art form has never really been given full recognition in its own right. A Quick History of the Collage is an inspiring , from Picasso, Matisse and John Heartfield - via Max Ernst and Man Ray - to today's "most accesible, inexpensive and democratic art form around." The author and designer Anders Neumüller has written unique illustrated books about antiques, modern design, posters and popular culture. His God Jul - a Swedish Christmas is a much loved best-seller. After living for 31 years in Vancouver, Canada where he was the editor of the Scandinavian and Swedish Press magazines, as well as the Consul of Sweden, he is now retired and lives in Sweden.
