"Captivating. Sexy. Suspenseful. Come On Baby was impossible to put down but never wanted it to end. Nic and Kaylee managed to capture my heart while the twists kept me on the edge of my seat. Their steamy chemistry and boundless love can handle anything life throws at them. And I mean anything." - Goodreads reviewer

◆◆◆◆◆ Heat. Passion. Suspense. It takes loyal friends with secret

connections, a scotch drinking seamstress and a protective dog named Palmer to put Nic and Kaylee's stars back in the sky.

Shh... it's a secret.

Was it a lapse in judgment or cosmic intervention?

Nic and Kaylee shared an epic one-night stand. We're talking up against the wall, ice cubes, genie in a bottle, epic.

Now they're forced to spend a week together at his sister's wedding. How are they going to keep a lid on their physical attraction? The hardwood floors are buckling beneath them as he gives her a simple whispering kiss across the swell of her lips. Neither can breathe before Nic walks away.

Soon, they're both catching feelings, but Nic Mancini doesn't know how to be in a relationship. He's hot—pick your tongue up off the floor hot. He's a television sports announcer with the world at his feet. However, Nic has a secret too painful to reveal and an ex-girlfriend who haunts him.

Kaylee's a wannabe fashion designer working in a couture boutique. She's everyone's "go-to girl" because she would give you the clothes off her back. Still reeling from her ex's betrayal, she knows it's a risk, taking the leap with commitment-phobe Nic, but it's one worth taking.

That is, until photos leak of Nic, shattering her trust and breaking her not yet mended heart. Then, when Kaylee confronts him, his heart rips once again as his secret erupts from the depths of his throat. His secret is something she never imagined and realizes why he is broken.

Nic says, "Kaylee, I'll give you what you want tonight, but tomorrow, I'm walking away...for good."

The problem is, he loves her and when he is ready to admit his love...she's gone.

Kaylee- Sweet, ambitious and loyal to a fault. But Nic is the one that has to bear the weight of her loyalty.

Nic- Smooth, charismatic, and charming but inside his heart is broken and his mind is shattered.

Excerpt:

"It's late. We still need to pick up the wedding gown." She says.

Wow. Maybe what we just did and how it felt was all in my imagination.

I blink my eyes and yep, we are still naked with her body draped over me like a weighted blanket. Disappointed, I say, "Okay." My hands gently hold her waist and I use my thumbs to push her back from my body. "I guess we need to get dressed."

Kaylee put one hand on my chest while running a finger over my lips, "We do, unless you can stay the night. We could pick up the dress tomorrow." Her lids are heavy as she's tilting forward into me.

While she invades my personal space, I tip her chin, "I'm not due at the airport until tomorrow night." The small muscles around our mouths curl upward before landing in another kiss.

"Do you still want to get dressed?"

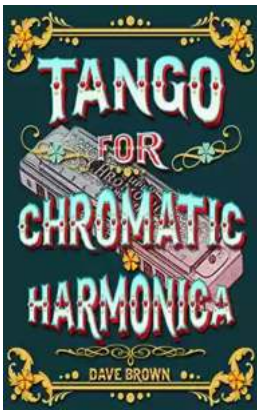

Answering her question with my lips, as they mosey from her shoulder to her décolletage, “Never.”

Come on Baby - Book 3 in The Racing Hearts Series is a standalone novel but is even better when read in order with the ensemble cast of interconnected characters. It combines romance with mystery and suspense.
