Rock Candy Kisses (3:AM Kisses 5)

Annie Edwards was born deaf, but she's never let that define her. She's settling in as a freshman at Whitney Briggs University, loves her dorm, her roommate, her classes, but something feels as though it's missing—enter Blake Daniels. He's everything Annie is not—a rocker, a player, a college dropout.

Her friends want to sleep with him, her brothers want to kill him, and all Annie wants is a chance to see where her heart takes her. As the lead singer of 12 Deadly Sins, Blake has had his fair share of rock candy. But Annie has taken over his body, his mind, his heart—three things he's never lost control of before.

Sometimes the thrill of one is worth risking the other.

Velvet Kisses (3:AM Kisses 6)

Wyatt James isn't interested in anything that resembles a commitment. He's self-made, secure, and happy to entertain a one-night stand any day of the week—enter Marley. Marley quickly dispels the idea that she's anybody's one-night stand. What Marley has in store for Wyatt is far more complex and requires a binding contract to back it. Marley and Wyatt aren't in it for love.

Marley is looking to glean some expertise in the bedroom. Wyatt is looking to find some solace after a string of nameless faces that have rocked his bed. But when feelings change, and that four-letter word takes ahold of both their hearts, they're left to face the fact they might be in deeper than either of them thought possible.
