Congratulations! You've gotten one of these powerful new Samsung Phones.
Learn simple and easy ways to use it without stress.

This step by step guide is designed specifically for Seniors and Beginners who want to learn how to use their Samsung Galaxy S22 Series (either S22, S22 plus or S22 Ultra) to the fullest.

The new Samsung Galaxy S22 series are a special set of smart phones that are packed with so much power and engineering you will be surprised if you take the time to learn about it. Their uses are overwhelming (and can be confusing!) even for most professionals. But there's no need to panic. This book has been designed to make the whole process easy. Packed with pictures and activities, it's sure to answer all your questions about these new Samsung phones.

So would you love to send an email to an old friend or a distant relative but don't know where to start? Have you been trying to browse the internet with difficulties? Have you tried to draw with an S Pen before, but didn't get good results? Do you wish you could make a video call with your employees, but can't seem to find anyone to teach you how?

Congrats again, you've stumbled on the ideal guide. It contains simple explanations of basic terms you'll love to know. No big grammar or technical terms, just simple steps, to help a respected Father or Grandmother Use his/her phone.

With this guide by your side, you can dive into using any of the Samsung Galaxy S22 series right way: and not just to send emails or make calls, but also many other things that you thought only professionals could do.

Some of what you'll be learning includes:

- A thorough to the Samsung Galaxy S22, S22 plus and S22 ultra; their parts and accessories and how to care for them so that they can last you for many years.
- How to insert the SIM card, charge the battery, switch off the device and other basic stuff
- Steps by step pictorial directions on how to set up and install your Samsung Phone
- How to Create a Samsung Account
- How to use the Keyboard on your phone
- Pro tips on making Phone Calls
- How to send text messages, MMS & SMS
- Simple tricks on changing your Phone settings
- Beginner's guide on Changing the Wallpaper, Screen Brightness and Sizes of the Letters on your phone screen
- How to set your Biometrics/fingerprint and Security
- Essential ways to take a Screenshot
- How to shoot videos to Make GIFs and AR Doodle
- How to download and install apps on your device
- How to snap amazing pictures and record cinematic videos with your phone camera
- How to save videos & photos on OneDrive
- How to use Bixby, a virtual voice assistant that comes with Samsung phones
- Tips to help parents set up Parental Control on their kids phones
- How to use the S Pen, Air Command & Samsung Notes
- How to use
- How to use the voice recorder app

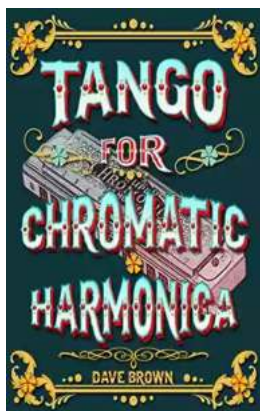

- How to use the Reminder and Calendar apps
- Tips on how to solve everyday problems that arise in your phone all by yourself!
- And on and on. Seriously, the list is endless!

And Hey! There is a well compiled Index at the end of the book. So if you just want to check up on a term or procedure you don't understand, you can go there for help.

Don't believe it? Why not check it out for yourself.

Sincerely, age or inexperience shouldn't be an excuse why you miss out on the important things taking place in this technological age. Your kids, friends and society expect you to move along with them as this world is advancing. That's why we've taken on this task to break down the entire process for you.

Click on "Buy now" and discover for yourself what being a Samsung Professional feels like.
