## What is Kirtan?

Kirtan is a form of devotional music and chanting that originated in ancient India. It is a powerful practice through which one can connect with the divine and experience a deep sense of inner peace. The combination of rhythmic hand-clapping, melodious singing, and chanting of sacred mantras creates an atmosphere filled with positive vibrations.

The roots of Kirtan can be traced back to the age-old tradition of Bhakti Yoga, a path of devotion and surrender to a higher power. The practice involves singing and repeating the holy names of God or deities, as a means to connect with the divine presence within oneself.
