For courses in Cultural Anthropology

Show students how anthropology can help them understand today's world. Cultural Anthropology presents a balanced view of the world's cultures, focusing on how they interact and change. Author Barbara Miller provides many points where readers can interact with the material, and encourages students to think critically about other cultures as well as their own. Featuring the latest research and statistics throughout, the eighth edition has been updated with contemporary examples of anthropology in action, addressing recent newsworthy events such as the Ebola epidemic.

Also available with MyAnthroLab[®]

MyAnthroLab for Cultural Anthropology courses extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MyAnthroLab does not include an eText.

Cultural Anthropology, Eighth Edition is also available via REVEL™, an immersive learning experience designed for the way today's students read, think, and learn.
